One Good Day From Venice

A simple Venice rhythm

Part	Default move	Keep it easy
Primary anchor	Downtown, Main Street, or the pier area	Start where the town and water can support each other.
Meal or walk	Use a nearby meal and a short waterfront or town walk	Let one compact area carry the middle of the day.
Optional finish	Beach, Waterway Park, or a dog-friendly stop	The pier, town, and one meal are already enough.

Keep it simple

- Venice is a strong default for mixed ages and low-fuss weekends.
- Choose Nokomis if the beach matters more than the town.
- Choose Punta Gorda if harborfront energy fits better than a pier-and-beach pattern.
