Sarasota to Boca Grande Slow Drive Companion

Build a selective coastal drive

Stop	Role	Use it when
Sarasota	Flexible start	You want coffee, a walk, or a polished first stop.
Nokomis	Easy middle	You want beach and food without much effort.
Venice	Town + pier middle	You want the drive to include a complete town rhythm.
Englewood	Slow-down point	You want the route to become lower-key and less polished.
Boca Grande	Scenic payoff	You want the final stop to feel worth the drive.

Keep it simple

- Pick two or three meaningful stops instead of collecting all five.
- Let the middle of the route stay simple.
- Use Boca Grande as the payoff, not just another pin.
